

Hosted by:

Fair Minerals?

Bridging research and practice in the artisanal and small-scale mining sector

**Institut d'études du développement de La Sorbonne (IEDES) -
UMR Développement et Sociétés. Amphithéâtre du bâtiment 1.
Jardin d'Agronomie Tropicale de Paris. Nogent-sur-Marne
5 May 2025, 9.00 - 17.00**

45 million artisanal and small-scale miners worldwide face sustainability issues and difficult work conditions. This seminar tackles the socio-environmental justice challenges underlying responsible mineral supply chain initiatives.

Open to the public, this seminar welcomes students, researchers, practitioners, government & civil society representatives to participate.

Morning Session: Challenges in responsible mineral supply chains initiatives

- Research-policy exchange panel
- Small group discussions and reflection

Afternoon Session: Latest research on ASM, mineral certification & governance

- Researcher presentations
- Practitioner discussion
- Open Q&A

**Register for lunch
by 22 April [here](#)
(spots limited)**
